European Championship in Prehistoric Archery and Spear Throw September 23-24, 2023

Dear Friends

We are pleased to be holding championships in the Val Senales Valley for the eleventh time this year. We are a small archaeological open-air museum close to the Iceman's discovery site. In a larch forest in the middle of the Gruppo Tessa Nature Park, right at an elevation of 1,500 m. above sea level, we are preparing the grounds for our tournament in the valley through which Ötzi himself was traveling 5,300 years ago...
